Dear Future PT,

We are very pleased that you have chosen to learn more about our highly successful organization. You are at an exciting time in your education, one that is filled with excitement, energy and a compassion for people. We hope that you choose Columbus Physical Therapy, PC – Columbus & Humphrey as a clinical rotation and as a future place of employment.

At Columbus Physical Therapy, PC you will experience a culture of value added healthcare, *The Feel Good Experience*. We provide more than just stretches and exercise; we improve our value to the consumer. Physical Therapy is no longer solely evidence based; rather it is a balance of both the consumer and evidence. *The Feel Good Experience* meets both of these needs.

But what does *The Feel Good Experience* mean to you as a student? You'll be coming into a productive and high energy clinic where you will find a consistent case load. You can expect a warm friendly environment, a variety of diagnoses, and the opportunity to learn different approaches while working alongside several providers. At this point in your education if you are considering a rural outpatient orthopedic clinic as your preferred career path we encourage you to learn more about *The Feel Good Experience* found at Columbus Physical Therapy, PC.

If you are in the Columbus area, please contact us. We would be happy to meet with you and give you a tour of our facility and share our company's vision.

Sincerely,

Steve Line, PT, OCS, ACT-RET– Owner
